"Nell, can you connect the three of us telepathically?" Teodor asked. The alien girl hesitated, so Teodor insisted. "We don't know what awaits us in the Dome. If you would agree to boost my basic telepathy, well it might be useful."

"She has not got the powers to do that," Guy said with a sneer.

"Actually I have," Nell said a little waspishly. "And of course I will offer my power to you, my prince. I will provide any assistance you require."

"Thank you princess."

Nell smiled a little coyly, then moved to sit between Guy and Teodor. She then stretched out her arm and nodded to Teodor. He smiled and wound his arm around hers until the palm of his hand pressed against her hand. The both looked at Guy. He wrapped his arm around both their arms, and grabbed both their hands in his. For a moment they clung to one another.

"Close your eyes, Guy," Teodor said softly. "Look for the light."

Guy closed his eyes, and saw a line of white light. He bent to look into the light and suddenly he could hear them. He could hear Teodor's and Nell's thoughts.

*'Can we use telepathy now?'*

*'Yes.'*

*'Can you hear us Guy?'*

*'YES!'*

*'I was thinking, if Guy shows us the changing room, I want to take a look to see if I was indeed imagining that poison pill. I know I saw something; maybe you could take a look.'*

*'Well,' Nell replied. 'we should get some pictures... But I mean, I honestly could not think of a worse place.'*

"Worse?" asked Guy and he had spoken aloud, he was so alarmed.

*'Well the exponential rate of expansion of the cy-sect population. It would be vastly accelerated within the damp darkness of an air-conditioning tunnel.'*
