Julia has the seemingly perfect family; a successful husband and three wonderful kids. From the outside all seems well, but behind closed doors things are anything but ordinary. Julia wants to escape and decides to make a decision that will change her life forever.

At first, I thought I must have misheard him. After a few moments, I wondered if I'd misunderstood. However, neither of those things had happened – and deep down I knew it. I gasped at the possibilities though, because I knew I was in over my head.

I'd mentally prepared myself for the kind of things I might be subjected to as a submissive partner. I followed his guidance, walking into the bathroom and noticing the small suitcase that lay on the counter. "When you're ready," he finally said, smiling warmly. "I'm yours to do with as you see fit." With that, he tugged the door closed and left me in the brightly lit room.
