Lambda Literary Award Winner for Best Lesbian Romance of 2014.

The open road is the only place that seems safe to Shirley "Mutt" Hopper. Escaping her Mississippi home, she joins the other wanderers, riding freight trains and working in fields and orchards across the United States. When she begs a night's sleep in a Nebraska barn, she can't imagine how completely the lovely farmer's daughter, Annie Callahan, is about to change her life.

Many years and hard knocks later, Mutt finds that at least Annie was able to pursue her dreams. Now a glamorous, wealthy and pampered movie star married to one of Hollywood's leading men, Annie seems totally out of reach.

How could Mutt possibly take away Annie's perfect life, even in the name of love?

It's bum times and good times and the power of love in a sweeping romance from the award-winning author of Not Every River and Spring Tide!
