Girls have always been the ones making lists of all things they think their guys should do for them.

And we all know what those lists contain: hang down toys on her cat, walk her dog around, surprise her by vacuuming, washing and top up her car with gas.

Sorry ladies, but when a guy plays with your dog, is simply because he likes your dog, not because he wants to get into your pants, but when he vacuums the house for you, he definitely wants to get into your pants.

First, I think their lists are a little self-deserving and men too should come up with lists of the things their ladies should do in order to please them.

Having said all that, ladies deserve to know that the male body is a hotbed of feel go zones, pleasing them is pretty easy.

At the beginning, all he needs to turn him on is just your sexy presence around him. Let us all face it!

When you have been in a relationship for some time, it is pretty hard to maintain the enthusiasm despite the fact that you are extremely beautiful and sexy.

So, discover inside this book a list to the ladies that compares to theirs. Download and read on your Kindle Now!
