Ajin: Demi-Human Chapter 39: For high schooler Kei-and for at least forty-six others-immortality comes as the nastiest surprise ever. Sadly for Kei, but refreshingly for the reader, such a feat doesn't make him a superhero. In the eyes of both the general public and governments, he's a rare specimen who needs to be hunted down and handed over to scientists to be experimented on for life-a demi-human who must die a thousand deaths for the benefit of humanity.
