A Little Laughter. A Little Mayhem. A Little MURDER...

For those who like cozy mysteries, humorous mysteries and police procedurals.

When beautiful Barbara Longman is found dead in a meadow, uprooted wild flowers strewn about her and, in her hand, a single marigold, British Detective Joe Rafferty at first believes the murder may be the work of the serial killer over the county border in Suffolk.

But then he meets the victim's family – and after liaising with the Suffolk police, he rapidly comes to believe that the mystery killing is the work of a copycat...one much closer to home; someone among the descendants of the long-dead family patriarch, Maximillian Shore.

Everyone, it seems, had a motive: Henry the grieving widower; the victim's brother-in-law Charles Shore, the ruthless tycoon; Henry's first wife, the Bohemian Anne, who has lost the custody of her teenage son, to the saintly Barbara.

Even the long-dead patriarch, Maximillian Shore, seems, to Rafferty, to have some involvement in the murder, though how, or why, Rafferty doesn't understand until he finally grasps the truth behind the reasons for the killing. A truth sad and dreadful and which had been evident from the start, if only he had had the eyes to see
