*Newlywed vampires Sarah and Thierry de Bennicoeur have their whole undead lives ahead of them. And with Thierry's job as a consultant for the Ring sending them across the globe to solve one vampire crisis after another, eternity may never have a dull moment.*

Sarah was hoping the honeymoon would literally last forever, but when Thierry receives a mysterious invitation to an auction held in an old Beverly Hills mansion, it's clearly time to get back to work. Thierry hopes to win a powerful amulet containing a wish-granting djinn that has eluded him for centuries. Unfortunately, Atticus Kincade, head of the vampire council, also has his eye on the item.

When the auction's host reveals his unpleasant history with Thierry, and Sarah discovers a talking head in the freezer, things get even weirder than usual. But when the amulet goes missing, and everyone is suddenly trapped inside the mansion, the undead guests find themselves in mortal danger—and Sarah had better be careful what she wishes for.
