## **Sadie's Montana Trilogy: Three Bestselling Novels In One** Linda Byler

Discover the bestselling Sadie's Montana series from Amish author Linda Byler, available in one value-priced book. Sadie Miller didn't know what to expect when her family left Ohio for the small Montana Amish settlement—certainly not horse thieves, mysterious men, or her family falling apart. Can Sadie find her place in this wild, Western community, far from the familiar—and discover love along the way? Now, three bestselling novels by Amish romance author, Linda Byler, are available in one volume. Sadie's Montana novels are set in the wild West country and include: *Wild Horses*, Book 1: Sadie Miller is adjusting to life at Aspen East Ranch when Ezra appears. Perfect in every way and fully intending to marry Sadie, Ezra seems like a dream, but does Sadie love him? And who is this fascinating Mark who helps to rescue a dying horse and shows up at the Amish hymn-sing, though he is English? Why can't she get his dark eyes out of her mind? Now Sadie's own close-knit family is falling apart. Mam claims her head is cluttered and unclear. The worst part is, Dat refuses to acknowledge Mam's struggles. Sadie finds some refuge in Nevaeh, a black and white paint. But when a dreadful accident involving wild horses occurs, Sadie must move forward into the unknown future. *Keeping Secrets*, Book 2: There's horse trouble in Montana again. Only this time, horses aren't being stolen, they're being shot. Snipers are driving a blue pickup and shooting selectively. No hard-working ranch horse or Amish horse and buggy is safe. Still, Sadie rides, despite the warnings. Sadie's heart is still set on Mark, even though friends tell her to steer clear after he ditches her in the middle of their first date. Then Daniel appears—a visitor from Lancaster County. With cornflower-blue eyes and a strong, square jaw, he is everything that Mark is not. Why, Sadie wonders desperately, are there so many secrets? Will the truth surface, or is it too hard to bear? *The Disappearances*, Book 3: Sadie may be married now, but she's as spirited as ever, and her life is no less tame. In fact, soon after she and Mark are settled into the farmhouse which Mark is renovating, she's visited by three FBI agents who question her about the two children who mysteriously appeared one day at the Ranch. Before the agents leave, they warn Sadie that her beloved horse, Paris, is highly valuable, and that she and Mark may be in grave danger because of Paris. This news, on top of Mark's unexpected black moods, leaves Sadie sometimes wishing she could go home, "lay her head on Mam's shoulder, and ask why she hadn't warned her." Mercifully, healing and courage reappear in unexpected times and places in this concluding volume of the Sadie's Montana series.
