Find out the amazingly bizarre "final secret" of the alien invasion, when you read *The Ultimate Alien Agenda* by James L. Walden, Ed.D.

If you read newspapers or watch television, it is hard to avoid the fact that people all over the world are reporting experiences with aliens involving abduction and experimentation. What they don't reveal is the *reason* the aliens have for such testing?until now.

In *The Ultimate Alien Agenda*, you'll meet Jim Walden. One night, this teacher, counselor, and public servant was startled by a red-eyed alien creature at the foot of his bed. He was abducted and subjected to humiliating and painful scientific procedures in a mysterious underground laboratory.

Years passed. Frightened and on the brink of suicide, Walden sought the help of a renowned alien abduction researcher. The first thing they needed to do was help Walden fully remember his experience. Using hypnotic regression, they discovered exactly what really happened. These sometimes surprising, sometimes terrifying secrets of the aliens are finally revealed in *The Ultimate Alien Agenda*.

- Why are humans being abducted?
- What goes on in mysterious, underground, alien labs?
- What are the aliens doing to humans?
- Who really are the aliens?
- Where do the aliens come from?
- What can we do about what is going on?

Under hypnotic regression, Walden learned that he was an alien-human "hybrid." In *The Ultimate Alien Agenda*, he shares his experiences, discoveries, and his astounding conclusion: aliens may not be gruesome creatures bent on destroying the human race. Rather, they may be our own ancestors. Once they were revered by ancient human civilizations as reptilian gods. Now they live in an alternate dimension here on Earth, working desperately to preserve the planet for us all.

Is this real? You read the facts. You judge the information. You make up your own mind. This is a book that must be read for you to understand what is happening to people around you . . . and maybe even to you. Get *The Ultimate Alien Agenda* today.
