Hall of Fools Shamrock McShane

Hall of Fools is the story of public education, seen through the prism of a thirty-year career teaching Language Arts in middle school. This searing first-hand account of writing in the trenches finds its literary kin in Hemingway, Proust, Marx, a noble heritage extending to the ancients, enlisted to battle in the war on ignorance. Race, politics, philosophy, aesthetics, religion, unions, sex, gender, violence, crime, love, hate, history, all must pass through the Hall of Fools.

Hall of Fools is a nonfiction novel about American public education. If you want to know what it's like to teach in a public school for one whole year – or thirty – or any number in between, if you want to know if your children are safe in school, or if they're learning anything and who is teaching it to them, if you're brave enough, enter the Hall of Fools.

From reader reviews:

Thelma Price:

The book Hall of Fools can give more knowledge and information about everything you want. Why then must we leave the good thing like a book Hall of Fools? Some of you have a different opinion about book. But one aim that will book can give many data for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or details that you take for that, you could give for each other; you are able to share all of these. Book Hall of Fools has simple shape nevertheless, you know: it has great and large function for you. You can look the enormous world by open and read a e-book. So it is very wonderful.

Brandon Jenkins:

Information is provisions for those to get better life, information these days can get by anyone from everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is inside former life are hard to be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you find the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Hall of Fools as the daily resource information.

Patrick Reyes:

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Hall of Fools, you may enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its named reading friends.

Irene Hoyt:

You are able to spend your free time to see this book this publication. This Hall of Fools is simple to develop you can read it in the area, in the beach, train and also soon. If you did not get much space to bring the actual printed book, you can buy typically the e-book. It is make you quicker to read it. You can save the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.
