Let history repeat itself again and again! This 12 BOOK Excite Spice MEGA Bundle brings the past alive with lust! These wanton tales of old are filled with tempting young maidens and lewd, lecherous kings, not to mention victorious Vikings who love to plunder and diddling doctors who are doing it all in the name of science! You get over 100,000 words filled with shameful encounters of seduction, where chastity might be a virtue but the flesh is a vice too tempting to resist.

Ten of erotica's hottest authors will show you just how scandalous and depraved the world once was, where wicked, wayward actions tested even the most steadfast morals, and the honor of the innocent was just begging to be taken by wild, depraved barbarian hordes.

Get yourself ready for this journey, because it's time to go live—and love, and most definitely lust—in the past!
