2 Audio CDs - 1 hour and 53 minutes. The Adventures of Peter Cottontail audio book is another great volume in the long list of children's books by conservationist Thornton W. Burgess. This is the story of Peter Rabbit, a mischievous, but cautious, lagomorph who lives in the Green Meadows. Peter Rabbit begins his adventures with a quest for a new name, since his name is far too common for his taste. Having a new name is not quite what he thought it would be, however, and soon he is on to new exploits like outsmarting Reddy Fox and discovering where all his friends spend the winter. This tale co-stars Reddy Fox, Jerry Muskrat, Unc' Billy Possum, Jimmy Skunk, Ol' Mistah Buzzard, Bowser the Hound, and many more of Thornton W. Burgess' delightful characters. Our CDs are packaged in premium DVD cases with CD labeling printed right on the CD in full color. We do not use paper stick-on labels, these tend to peel off over time and can really jam up car CD players and computers. We chose to use DVD cases for our CD sets, as we have found they hold up better in shipping and in regular usage than the typical CD jewel case. Please note: All recordings we offer on CD are produced with recordings from LibriVox, public domain works recorded by volunteers. We at St. Clare Audio would like to thank the volunteers for their gift of offering their work to the public domain. St. Clare Audio's niche is providing them in ready-to-purchase CD sets, for those who cannot download, or have not the desire or time to do so, as well as the benefit of a nice case and professionally produced CDs. The Adventures of Peter Cottontail Children's Audiobook is read by Multiple Readers.
