Deep inside a glacier, a hiker finds a journal that was lost during World War II. On its frozen pages are etched the secret locations of treasures lost since the 1940s. But something more ominous is scribed in the journal, something that threatens the Presidency of the United States.

Jake Pendleton and his new partner, Francesca Catanzaro, work for an “off the books” intelligence firm and are summoned to the White House where they are instructed to locate and acquire the book. Jake soon realizes there are others on a quest to find it as well.

Others who will kill to get to it first.

Breach of Power is an action packed political thriller with a twist around every corner. If you like thrillers by great authors like David Baldacci, Vince Flynn, Brad Thor, and others, then you'll enjoy this book as the author incorporates his 3M formula for his novels: Murder, Mystery, & Mayhem.

His books have reached Amazon Bestseller status in the following categories:

- Espionage & Spy Thrillers
- Political Thrillers
- Political Thriller & Suspense
- Action & Adventure
- Terrorism Thriller

"Maybe we have Steve Berry to thank. Or it's because our area happens to be a haven for literary-inclined retirees. Or it could just be the changing book publishing environment. Whatever the reason, Northeast

Florida writers these days are producing some pretty darn good independent thrillers.

Best-selling Berry (his latest “The King’s Deception” will be out in June), who grew up in Georgia, lived just over the line in St. Marys for a number of years and a while ago moved to World Golf Village in St. Augustine, maintains a high profile in our books community as a speaker and proponent of things literary. He is also a good judge of talent. His cover blurb on retired air traffic controller Chuck Barrett’s first novel “The Savannah Project” gave the Fernandina author’s initial indie publishing effort a nice boost.

Following last year’s “The Toymaker,” Barrett’s third Jake Pendleton adventure, “Breach of Power,” has Jake and his partner Francesca Catanzaro settled in with an “off the books” private intelligence firm and the President of the United States needs their help.

“Breach of Power” opens the superlatives spigot. Its plot is as fast and solid as anything on the market. The good guys have all the right stuff and the bad guys will bring nightmares...it’s guaranteed you will lose sleep with this one."
