## **Expanding Consciousness** Timothy Leary

In this book Timothy Leary explores profound topics such as psychedelic spirituality and the role of mind-expanding chemicals in human evolution. Dr. Leary explains the potential for the intelligent use of psychedelics, examines contemporary mores in their broader context, and makes suggestions for human development with an eye toward the future.

Timothy Leary was an American psychologist, researcher, and writer known for raising awareness of psychedelic drugs, specifically their beneficial aspects. Timothy Leary conducted psychedelic research while at Harvard University, was an influential public figure in the 1960's, founded an LSD religion, and spoke publicly on topics of psychedelic experience, spiritual and therapeutic applications of LSD, as well as transhumanism and futurism. To this day, Timothy Leary represents the vanguard of challenging the cultural status quo and working toward a radically better future.
