## Resilience Dr Aaron Laird

Aaron's poetry is very engaging. It takes you somewhere deep into the mind and connects you straight to his heart. I highly recommend taking the time and indulge in his creative world. A good place to start is here... Aaron's will to survive and deal with the cards life has thrown at him is something I can not put into words other than to say that I would find it extremely difficult to do half of what he has achieved. A man that we can all learn from and one exceptional special human being. Listen to his words and let them resonate with your life. Everything becomes so much clearer and simple when viewed with this mans eyes. -Damien Reilly, Director and Founder of Blue Pie Productions USA
