"My God, My God, why have you forsaken me?" How should a Christian interpret this passage? What implications does the cross have for the trinitarian theology? Did the Father kill the Son? Theologian Thomas McCall presents a trinitarian reading of Christ's darkest moment--the moment of his prayer to his heavenly Father from the cross. McCall revisits the biblical texts and surveys the various interpretations of Jesus' cry, ranging from early church theologians to the Reformation to contemporary theologians. Along the way, he explains the terms of the scholarly debate and clearly marks out what he believes to be the historically orthodox point of view. By approaching the Son's cry to the Father as an event in the life of the Triune God, *Forsaken* seeks to recover the true poignancy of the orthodox perspective on the cross.
