The Red Mohawk Anonymous

The new book from the anonymous author of the international bestselling Bourbon Kid series.

Everything seems peaceful in the small town of B Movie Hell until a mysterious serial killer in a skull mask topped with a red mohawk shows up and starts butchering the locals. Government agents Jack Munson and Milena Fonseca are sent to track down and eliminate the masked psychopath. But as they soon discover, the residents of B Movie Hell don't want their help. This is a town like no other, and the locals have many dark secrets....

Already a hit in France and Germany with film rights optioned by Tobey Maguire's Material Pictures, The Red Mohawk is a fun, outrageous and bloody thriller full of cinematic references and homages to many cult movies.

An explosive cocktail of delirious humour and suspense – Stéphane Loignon, Le Parisien magazine.
