What Every Christian Needs to Know About the Qur'an James R. White **Learn What Islam Really Teaches, Straight From Its Sacred Text**

Relying on the media and politicians to tell us what Muslims believe isn't going to cut it. Christians need to be better informed, whether the goal is to understand global politics or to talk to a Muslim neighbor across the street.

Through fair and accurate use of the Qur'an and other documents, scholar and accomplished debater Dr. James White examines what Muslim sacred texts teach about Christ, salvation, the Trinity, the afterlife, and other crucial topics. This book provides the answers you've been looking for to engage in open, honest discussions about Islam with Muslims and others.

"An excellent introduction for Christians who want to be more informed about Islam than what they can learn from news reports and the Internet. Dealing not only with historical facts but also deep theological and prophetic questions, the book is valuable for all Christians who want to communicate intelligently with their Muslim friends and neighbors." --*The Baptist Standard*
