**Aftershock(Inequality for All--Movie Tie-in Edition) Robert B. Reich  
Updated and With a New Introduction**

When the nation's economy foundered in 2008, blame was directed almost universally at Wall Street bankers. But Robert B. Reich, one of our most experienced and trusted voices on public policy, suggests another reason for the meltdown. Our real problem, he argues, lies in the increasing concentration of income at the top, robbing the vast middle class of the purchasing power it needs to keep the economy going. This thoughtful and detailed account of the American economy—and how we can fix it—is a practical, humane, and much-needed blueprint for rebuilding our society.
