Coven (The Elise Michaels Series Book 1) Kate Young

Elise Michaels' motto has always been: no guts, no glory. She is a thrill seeker, continually craving excitement and adventure. The idea of being tied down to a place or man never interested her, even though a betrothal spell was cast linking her and the Head of Council's son when they were mere infants.

Being a distant third in succession to assume the Head Mistress role, she felt confident that her secret would remain in her past along with Coven life. Unfortunately, nothing in our fun loving heroine's future is anything she or anyone from the supernatural realm is prepared for.

Now, she's forced to return to the place and the Sorcerer she so desperately sought to forget.

Elise has no idea the power and gifts that await her. Can she let go of her own desires and embrace her new role? Or will she surrender to the faceless evil coming for them all?

Book one in the tantalizing Elise Michaels Series a spinoff of The Nephilim Warrior Series.
