**I Love Led Zeppelin** Ellen Forney

**2007 Eisner Award nominee, Best Reality-Based Work: the long-awaited collection of strips, characterized by bold, sensual brushstrokes and striking images of powerful, butt-kicking women. Forney's collaborators range from her Grandma Florence to comedian Margaret Cho.**

*I Love Led Zeppelin* is a long-awaited collection of strips by the Harvey and Eisner Award-nominated cartoonist Ellen Forney. This book includes full-page comics published in prestigious weeklies such as the *L.A. Weekly* and Seattle's *The Stranger*, as well as the leading feminist magazine *Bust*, and the *Oxford American*. Her strips are characterized by bold, sensual brushstrokes and striking images of powerful, butt-kicking women. While most of the stories sprang from Forney's own inspiration, some are collaborations with such luminaries as comedian Margaret Cho, novelist (and Al Gore's daughter) Kristin Gore, writer and editor Dan Savage, writers David Schmader and Tamara Paris, Forney's beloved Grandma Florence, and Camille Paglia. Several of Forney's strips fall into the "How-To" category, although this is not your standard advice column fare: topics range from the practical ("How to Tip Your Server") to the whimsical ("How to Twirl Your Tassles in Opposite Directions") to the fascinating but hopefully never-needed ("How to Sew On an Amputated Finger"). Other strips include "The Final Soundtrack," a death fantasy involving blood, glamour, and Led Zeppelin; "How to Smoke Pot and Stay Out of Jail"; "How to Talk About Drugs with Your Kid"; "How to Fuck a Woman with Your Hands"; "How to Be a Fabulous Fag Hag" (an illustrated interview with Margaret Cho); "Seattle's Erotic Landmarks"; and "Memories of Love," a graphic tour of Courtney Love's rise and fall of celebritydom.
