Michael Van Vlymen

Supernatural Transportation: Moving Through Space, Time and Dimension for the Kingdom of Heaven Michael Van Vlymen

If the book *"Translation by Faith"* is the *"how to"* of moving in the spiritual realms, then this book would be the *"why."* Supernatural Transportation is my personal testimony of the adventures God is taking me on as He teaches me about this reality of moving through space, time and dimension for His purposes and His Kingdom. It is my sincere prayer that as you read this book it inspires you to say *"Yes Lord!"* I will do what you ask me to do and go where you tell me to go. I pray that you believe that God is still the God of the Bible and does the same things He has always done, and that you will let Him prove it to you. He will not disappoint you! I do my best to share every part of the journey so that there are no missing pieces. It is my desire to see that all those who are willing, learn how to see and go into the spirit and walk in the will and the power of God. We ALL have an important role in God's plan. Embrace who you are and begin to live from that HEAVENLY place!
