The Assassin Trilogy: The Silver Bear, Columbus, Dark Men Derek Haas

An e-original omnibus of three suspense novels by the Barry Award-nominated novelist and co-screenwriter of Wanted, 3:10 to Yuma and The Double.

He calls himself Columbus. His real name never meant much to him anyway. He never knew his father, an earnest young congressman and rising star in the Democratic Party named Abe Mann, or his mother, a prostitute whose involvement with Mann would prove dangerous.

All Columbus cares about is his next target. And considering that Columbus is a hit man who quickly made a name for himself as one of the best despite his years, you can be sure he'll fulfill whatever contract's been given him. Even if those who put out the hit have other plans in mind.

In THE COLUMBUS TRILOGY, the first three novels by Barry Award-nominated author Derek Haas, Columbus squares off against the shadow of his father, Czech crime lords, drug dealers, a prostitution ring, and more, in three acclaimed suspense novels by rising master of the genre.
