The Lion and the Rose Riccardo Bruni

In sixteenth-century Venice three bodies surface in the dark waters of the Canal Grande. Entrenched in a terrible war with the Turks and caught in a political struggle between power-hungry Pope Alexander VI and the newly elected Doge Loredan, the people of Venice fear that a demon has come to exact divine punishment for their sins.

Doge Loredan is determined to find the real culprit before the Pope can turn the people against him. To do so, he hires unorthodox German monk Mathias to investigate the murders. Soon Lorenzo Scarpa, a young printer and nephew to one of the victims, joins in the search. The mystery leads them into Venice's underground printing industry, where they learn of a dangerous book hidden somewhere in the city, a book whose secrets could determine the destiny of the Republic—a book that others are more than willing to kill for.

Lisa Madruga:

This The Lion and the Rose is great reserve for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. That book reveal it details accurately using great manage word or we can declare no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tricky core information with lovely delivering sentences. Having The Lion and the Rose in your hand like keeping the world in your arm, facts in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. active do you still doubt which?
