They'll do anything to protect their way of life. Anything.

Welcome to Priory, a small gated community in the UK, where the only thing worse than an ancient monster is the group worshipping it. They'll do anything to protect their secrets, especially with Charles Erich at the helm.

The question is, how much influence can a religious leader like Charles Erich truly have over his followers? If the time comes, would he ever allow them to leave? And is that which slithers below true evil, or does evil reside in the people of Priory?

Priory. A community of one mind and purpose. A place of order, commitment, peace, and service. A perfect world, building on mind shattering secrets from beyond the pale. Enter...if you dare.

THE OUTSIDERS follows five shared-world stories by five authors, each one delving into the world of Lovecraftian cults, murder, indoctrination, and our quest to belong. If you dare follow this UK invasion of five prime authors as they each tell their own story of the people living behind Priory's steel gates and high walls, you'll quickly find yourself an outsider as well.

Featuring stories by Stephen Bacon, James Everington, Gary Fry, V.H. Leslie, and Rosanne Rabinowitz.
