He will answer you at his time and reveal the secret of your life. Once you get the secret, you gain a vision; once you get the vision, life is not aimless any more, it becomes exciting and adventurous. A seed has to break out its shell in order to release the life in it. It's a process of self-brokenness, full of pains and risks; a process that requires courage, determination and endurance; a process that is long, lonely but indispensable. Once you succeed in breaking the shell, you grow out to a world that is full of light and darkness, good and evil, opportunity and problem. They may build you up or tear you down. You have to tackle through all the barriers before you are to bloom and bear fruits.
