\*\*\* This book can be read as a stand-alone! \*\*\*

Follow the sordid lives of the residents of Velvet Shore as their paths collide in this quirky series filled with epic tales of romance peppered with action, comedy, and the occasional murder.

"**Shoot first, ask later:**" that's the motto of Velvet Shore's hotshot detective, Xander Lewis. When a gruesome murder occurs in the mansion of one of the wealthiest residents in town, he and his sidekick are called in to investigate. Tactless, quick to judge, and borderline comical, he has ample opportunities to rub people the wrong way. With the list of suspects mounting and no murder weapon to be found, he's got his work cut out for him. Will he be able to solve the mystery, or will his unorthodox methods finally land him in trouble?

Meanwhile, feisty stay-at-home mom Kim Verraros can't stand her mother-in-law. Their petty feud has lasted over 20 years and she's beginning to feel like victory is out of reach. But when she gets a call from her P.I. with proof of juicy dirt on her arch nemesis, she has a tough decision to make: should she use this information to her benefit, or is family more important than personal satisfaction? Or maybe she should keep an eye on her own sordid secrets?

*"Their dreams are big, and their passions run deep. Success, friendship, and love; the city offers it all. Yet for some, nothing in the world will ever satiate their restless desires..."*

\*\*\* Author's Note \*\*\*

Restless Desires is unlike your traditional novel and is formatted like a screenplay. It is a work inspired by daytime TV and theatre. The series is fast-paced and has character-driven plots that can span multiple "episodes." However, each book can be read as a stand-alone.
