Stone Hard SEALs Sabrina York

Tune in for a scorching action adventure romantic romp as two stone hard SEALs launch a hostage rescue! Little do they know, they might be saving the women of their dreams...

STONE HARD SEALs

A Duet of Steamy SEAL romance by NYT and USA Today Bestselling author Sabrina York. Two books in one.

Book One: Ryder

A hostage rescue mission turns Ryder “Stone” Maddox’s world on its ear when he comes face-to-face with his greatest fear: A woman he cannot resist. But he has to resist Lily Wilson. He’s vowed never to fall in love. Besides, as the daughter of a senator, she is definitely off-limits. Lily sees things differently. Irresistibly drawn to this hot, hard SEAL, she is determined to prove they belong together...and that her man does not have a heart of stone. (Originally published in the NYT and USA Today Bestselling Hot Alpha SEALs collection)

Book Two: Drake

Drake Ronan is all man—a rock hard SEAL who doesn’t need help from anyone. Doesn’t need anyone. But when he’s shot during a dangerous rescue mission, and has to rely on a beautiful nurse to survive, he realizes he has to rethink his resolution. Suddenly he can’t imagine his life without Brandy in it. It’s a damn shame she has a secret that could ruin everything.

It's action/adventure. It's suspense. It's romance.

From reader reviews:

Nancy Sena:

As people who live in the modest era should be up-date about what going on or facts even knowledge to make these individuals keep up with the era and that is always change and make progress. Some of you maybe can update themselves by reading through books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Stone Hard SEALs is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Janelle Garrity:

Are you kind of active person, only have 10 as well as 15 minute in your time to upgrading your mind expertise or thinking skill even analytical thinking? Then you are having problem with the book in comparison with can satisfy your short space of time to read it because pretty much everything time you only find e-book that need more time to be examine. Stone Hard SEALs can be your answer because it can be read by you who have those short free time problems.

Brooks Davis:

Many people spending their period by playing outside using friends, fun activity using family or just watching TV all day long. You can have new activity to spend your whole day by reading through a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smartphone. Like Stone Hard SEALs which is finding the e-book version. So , why not try out this book? Let's observe.

Santiago Johnson:

What is your hobby? Have you heard in which question when you got students? We believe that that question was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person such as reading or as reading become their hobby. You have to know that reading is very important and book as to be the factor. Book is important thing to add you knowledge, except your own teacher or lecturer. You get good news or update regarding something by book. Many kinds of books that can you decide to try be your object. One of them is this Stone Hard SEALs.
