The Tiny Curse (Werewolf High Book 2) Anita Oh

Things get more complicated for Lucy when she's expected to keep the secret that Sam and the others are werewolves. Other students are jealous of her getting closer to the most elite kids in the class and more and more she's the victim of bullying, until she loses even the few friends she's made.

It's almost a relief when she's hit by a curse that shrinks her to only two inches tall – she can't be bullied if she can't be found! But being tiny comes with its own problems and she's soon forced to turn to Sam and the other werewolves for help. She can't live in Tennyson Wilde's sock drawer forever, she needs to find the culprit and break the curse!
