Twelve Stones: Remembering the God Moments Laura Payne

One day I was walking on the beach when I noticed a lot of flat, round stones. God gave me the idea to collect them and write on each a short description of the times God had directly intervened in my life – my God moments. This book contains the stories of those God-moments. Like Joshua, I wanted to make a memorial of stones that would be passed down to the next generation to remember just how great our God is. May these stories do just that, and encourage you to walk more closely with the Lord.
