The last English kingdom is on the brink of extinction.

Each Anglo Saxon kingdom is overwhelmed in turn by ferocious, battle-hardened Viking warriors who can strike at a time and place of their choosing thanks to their famous longships.

Viking armies have conquered Northumbria, Mercia and East Anglia.

Now they are coming for Wessex and the young king Alfred cannot even rely on his own nobles.

Driven to the remote marshes in Somerset, Alfred must regroup his loyal supporters and organize the fight back.

He finds some unlikely allies: two young Saxon nobles out for revenge and, above all, Constantinos, a Byzantine soldier and diplomat and his bodyguards who all find their own reasons to fight – and die – in someone else's war.

Viking Storm is the first in an action-packed trilogy that reveals just how narrowly England survived the Vikings, and why Alfred is the only English king known as 'The Great'.

'Julian Brazier has shone a light on the Dark Ages and given Alfred the Great the rip-roaring yarn he deserves. This generation has all but forgotten the astonishing achievements of the Saxon King, and how he saved England from a blood-crazed enemy - and re-founded the City of London. Viking Storm is a pacy and suspenseful blockbuster. Alfred lives!' - Boris Johnson

'New recruits to the territorial army should perhaps consult a copy of Viking Storm, a racy new novel by Julian Brazier, for tips on how to behave under fire. Brazier displays an alarming flair for describing violent conquest' – Sunday Times

Educated at Wellington and Oxford, Julian Brazier is the Member of Parliament for Canterbury and Parliamentary Under-Secretary of State in the Ministry of Defence responsible for reserve forces. He served for thirteen years as an officer in the Territorial Army, including five years with the SAS Reserves. He is married with three children.

Endeavour Press is the UK's leading independent publisher of digital books.
