Penney Peirce

DESCRIPTION

The Bits & Pieces series is a collection of editorials and essays, along with shorter insight pieces, by intuition and perception expert Penney Peirce. Bits & Pieces 1 explores ideas related to feelings of stuckness in relation to our spiritual growth, or transformation, process. What can make us contract and stop our own expansion, and what can free us again? How do we deal with our growing ultrasensitivity, which can at times make us feel we're drowning in negative emotion? How do we live lovingly in the seeming gap of liminal space, as the next just-right thing is gestating? There are many wonderful insights in this book to inspire you on your path and help you ease the difficult transitions.
