Ephesians: Paul's Conclusive Treatise Glenn W. Campbell

This book is a new translation of Paul's Treatise to the Ephesians into Professional, Contemporary, American English, written for professionals who finally want a no-nonsense answer to the meaning of the significance of their life. It penetrates the ossified "code language" of the Ecclesiastical, Medieval, British/Latin English that has obscured Paul's essential message for four centuries. The book makes the case that Jesus, our heavenly Commander in Chief, has specially selected each of us to an apprenticeship to discover and accomplish a unique, carefully crafted lifework. His goal is to help us successfully achieve it, and in doing so earn the distinguished qualifications required for leadership in the honorable government of the future world He will found upon His return.
