No little girl should ever have to learn about sexual abuse at the hands of her father. But I did, and I survived. This is my story. *Little Girl Mended* is both a story of abuse and a story of redemption, spanning more than fifty years. From the loss of innocence at age seven, through ten-plus years of abuse, forty-five years of silence, and finally—well into my fifties—coming to understand that healing is possible. My walk through recovery coincided with a deepening of my relationship with Jesus Christ. Through that relationship I came to experience the Father's love—a love I couldn't fully understand while viewing everything through the distorted lens of incest. In this first-person narrative, I examine painful memories and difficult emotions, allowing myself to feel for the first time in my life. As I grapple with shattering hurt and long-buried pain, I come to realize there can be no healing without surrender. It's not in my strength that I find healing, but in my complete surrender to Jesus Christ. The power found in the pages of *Little Girl Mended* is there for you, too—whatever the circumstances of your own life's story. Come along and claim it.
