Revolutionary America, 1763-1815: A Political History

Francis D. Cogliano

Revolutionary America, 1763-1815: A Political History Francis D. Cogliano

Revolutionary America explains the crucial events in the history of the United States between 1763 and 1815, when settlers of North America rebelled against British rule, won their independence in a long and bloody struggle, and created an enduring Republic. Centering the narrative around the new Republic, *Revolutionary America* presents a clear history of the War of Independence and lays a distinctive foundation for students and scholars of the Early American Republic. Author Francis D. Cogliano pays particular attention to the experiences of those who were excluded from the immediate benefits and rights secured by the creation of the Republic, including women, Native Americans, and African Americans.

This third edition has been fully revised and updated to incorporate the insights of the latest scholarship throughout, including additional discussion of regional differences and the role of religion. Two new chapters cover the War of 1812, the Revolution as a social movement, and the experience of Loyalists, allowing students to grasp further dimensions of the conflict and the emergence of the United States.
