The Dam Run V. A. Riccasola

Some days we are inspired to run and some days we run and it inspires us. This book is both sides of that coin; the run and the inspiration. It is a book for everyone whether you run or not. It is about being inspired to do hard things. It is about finding the strength inside you when you think you have none. It is about knowing you are good enough; that your efforts count. Read it and reflect. You may be surprised to realize whom you inspire and who inspires you... and if you are inspired to run, all the better!
