The scalability, performance and Emmy Award-winning workflow of Final Cut Pro 5 make it the first choice of professional editors everywhere. For those clamoring to get in on the action, this best-selling volume uses a series of class-length lessons designed to provide a strong foundation in all aspects of the digital video editing powerhouse. Readers follow the step-by-step instructions to complete the book's hands-on exercises, using the project files on the accompanying DVD. Master teacher Diana Weynand covers everything from basic editing skills to complex topics such as creating transitions and motion effects, real-time color correcting, titling techniques, and more. Previously published as Final Cut Pro HD, this revision has been updated to cover all of Final Cut Pro 5's new features, including higher quality effects, RT Extreme with Dynamic RT, editing multi-camera projects, closer integration with Apple's other creative tools and more.
