Give a SEAL an inch, and he'll take your heart.

Heat of the Moment

Shelby has lusted over John for over a year, but can't figure out why he's not interested. Until she overhears him saying she's too vanilla for his taste.

Garrett hates risking their friendship, but if she wants a wild ménage, he'll give it to her. Then make it clear he wants her all to himself.

Heat of Passion

Holly has too much on her plate to think about a serious relationship. A hot fling with a Navy SEAL, though, is the perfect way to take the edge off. Then she sees him again weeks later, and Carson wants the one thing she doesn't. More. In the face of his methodical seduction, her resistance is crumbling...

Heat of the Storm

Will has waited fifteen years for the storm that sends Mackenzie into his arms. Then she shoves him right back into the friend zone. But he's a SEAL to the bone, and tenacious as hell.

Will is the one man not scared of Mackenzie's psychic gift. Their one night of passion is more than a mistake. It generates a tragic vision of the future that leaves her more afraid than ever.

Warning: Contains dangerously hot Navy SEALS, and heroines not afraid to take them on one—or two—at a time.
