Never Again: A Never Before Told Insight Into The 1992 Los Angeles Riots Bill C. Weiss

Never Again is based on a true account of the most violent and destructive civil disturbance in the United States in the last century. It is a never before told insight into the hours leading up to, during, and after the Los Angeles Riots erupted on April 29, 1992. The story deals with the emergent preparations and tough decisions a watch commander faced while preparing Lennox Sheriff's Station in South Los Angeles to intervene, as the Los Angeles Police Department found itself totally unprepared to handle this deadly and dynamic crisis. Never Again shows, detail by detail, how close the Los Angeles County Sheriff's Department was to potentially changing the course of history as the watch commander copes with his internal instinct to take action, waged against his self-discipline to follow orders, leading up to the final moment when he is ready to put his daring plan into action.
