The ancient secret needed to bind Satan for another 1,000 years lies within the Ark of the Covenant, which disappeared from the Temple of Solomon. Its current location is unknown, and this sacred treasure has been the object of innumerable quests ever since its disappearance. The only human on earth able to unlock the secrets of the Ark is the Chosen One, known as Star Fire. Follow the journey of present day Templars, the protectors of the Ark of the Covenant, from the Temple of Solomon in Jerusalem, to Sancta Sophia in Turkey, to the Rosslyn Chapel in England, and to the grand nation of the United States of America, as they try to alter the fate of humanity. The race to uncover the Chosen One and the location of the Ark starts now, before a certain date approaches.....
