The Other

Thomas Tryon

The Other Thomas Tryon

Entranced and terrified, the reader of *The Other* is swept up in the life of a Connecticut country town in the thirties—and in the fearful mysteries that slowly darken and overwhelm it.

Originally published in 1971, *The Other* is one of the most influential horror novels ever written. Its impeccable recreation of small-town life and its skillful handling of the theme of personality transference between thirteen-year-old twins led to widespread critical acclaim for the novel, which was successfully filmed from Thomas Tryon's own screenplay.

This edition features original artwork by surrealist artist Harry O. Morris.
