**The Toad of Dawn: 5-MeO-DMT and the Rising of Cosmic Consciousness** Dr. Octavio Rettig Hinojosa  
Key Notes:

The history and use of 5 MeoDMT as natural medicine for those afflicted by addiction and its application as a tool to

initiate people on a spiritual path.

Description:

The Toad of Dawn is the dramatic story of how Dr. Octavio Rettig Hinojosa ? a Mexican doctor with a crack cocaine addiction ? came to heal himself by employing an ancient “treasure” almost forgotten for centuries ? Bufo alvarius (the Sonoran Desert toad). Under the auspices of the United Nations Venezuela Association, Dr. Rettig has traveled extensively throughout the world and shared 5MeODMT, a secretion of the Sonoran Desert toad, with over 6000 people, eliminating chemical addictions, depression, anxiety disorders, insomnia, bronchitis, and trauma. Dr. Rettig’s research has convinced him that the medicine of the Sonoran toad ? which, under the guidance of an experienced shaman or medicine man, can be harnessed for healing, awakening, and raising consciousness ? has been known and used by high priests of the Mayan, Aztec, Olmec, and other Mesoamerican civilizations. Part autobiography, part introduction to entheogens and visionary substances, The Toad of Dawn gives an overview of the history, use, and the benefits of the toad medicine, and reveals how it can be used to initiate people on a spiritual path.
