#### **Jackie Lund:**

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Lola's words disappeared can make you truly feel more interested to read.
