Mystery... Intrigue... Voodoo... Witches... Ghosts... Vampires... Detective John Newman had done his research on the City of New Orleans, Louisiana, yet nothing would prepare him for what he discovered after moving here. After learning that there was a Paranormal Unit in the police force, he thought he had heard it all. That was, until he found himself partnered up with someone not entirely human. Haunted by her past, Josie seeks out the monster who condemned her soul to hell over a century ago. With the help of her boyfriend, Tyler, who is a Rougarou and on a mission of his own, Josie sets out to seek redemption. What they didn't expect was to stumble upon a deadly secret, one that goes deeper than either of them envisioned. As Josie and Tyler are targeted because they found out what was happening, she begins to fear that no one around them can be trusted, even Detective John Newman.
