The Florida Workplace Answer Book: Do you know how safe your company is?

The Florida Workplace Answer Book was written to help all employers in the State of Florida comply with workers' compensation and workplace safety regulations. In the State of Florida there were 234 workers who lost their lives on the job in 2013. Each day in this country, an average of 13 workers die because of job injuries—women and men who go to work never to return home to their families and loved ones.

The Florida Workplace Answer Book will:

- Reduce workers' comp costs;
- Decrease accident rates;
- Help comply with safety and HR regulations;
- Help you train your workforce; and
- Help you save an employee's life!

Most employers do not know how safe or unsafe their company is.

The Florida Workplace Answer Book will help them understand how they can get into compliance and start investing in saving their most important asset: their employees. This book is written without legal jargon, in plain English that anyone can understand. In it, the author provides interpretations of many of the Florida Occupational Safety and Health regulations as well as workers' compensation advice.

It provides "Safety Tips" throughout the book for useful legal guidance given to help users understand what their compliance responsibilities are. You can use this book to save on your workers' compensation rates.

Use the sample CD to create and have a written safety program that complies with OSHA and workers' compensation rules.
