Titus Awakes: A Novel Maeve Gilmore, Mervyn Peake

Mervyn Peake's Gormenghast novels are widely acknowledged to be classic works of high fantasy, on par with Tolkien's Lord of the Rings trilogy.

In this series, Peake created the vividly detailed world -- at once gothic and surreal -- of Castle Gormenghast. When Peake died in 1968, he left behind the tantalizing pages and clues for the fourth and concluding book in the series.

Maeve Gilmore, Mervyn Peake's widow, wrote *Titus Awakes*, based on those pages left behind by Peake. Fans of the Gormenghast novels will relish this continuation of the world Peake created and of the lives of unforgettable characters from the original novels, including the scheming Steerpike, Titus's sister Fuchsia, and the long-serving Dr. Prunesquallor. Published a century after Peake's birth, this strikingly imaginative novel provides a moving coda to Peake's masterwork.
