#### **Brenda Rodriguez:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Pancakes in Paris: Living the American Dream in France can make you experience more interested to read.
