This is a book about photo retouching - but one with a difference. Here, you are in the hands of Dr. Barry Jackson, the distinguished Photoshop surgeon, and his senior staff nurse, Jane Peg, an equally skilled beautician and cosmetics expert. Together, they offer a uniquely specialist service. A visit to Dr. Jackson's Photoshop Cosmetic Surgery commences with an individual consultation with Dr. Jackson himself or with Nurse J. Peg. You may then choose from a selection of different fitness and beauty programmes. These range from those designed to create supermodel looks (perfect skin, removal of blemishes, eradication of wrinkles, digital lip gloss, hair colouring, and so on) and workouts in the digital gym (thinner thighs in 30 minutes, bulging biceps, and the six-pack stomach), to a session in the eternal youth centre (the classic facelift, digital Botox, the boob job, and the tummy tuck) or complete whole-body makeovers and transformations. Dr. Jackson's Photoshop Cosmetic Surgery is world-renowned as a centre of excellence, and guarantees the very highest quality of workmanship with the most professional of results.
