Crashing Down: When reckless meets responsible.

Straight A student Kathryn Lane is all work and no play. She's determined to keep her scholarship, and that means no distractions...until she takes a summer internship at Stone Cliff Resort and meets bad boy Noah Ryan. She knows she should keep her distance—after all he's not the kind of guy she can bring home to daddy—but his disarming smile and dangerous ways are entirely too tempting.

Wasted Summer: When Broken meets Beautiful.

Melody Spencer has a plan: work hard, stay focused and save enough money to get out of Stone Cliff and the rumors that surround her. Wounded and distrustful, she's learned the hard way that if a guy is nice to her, it means he's only after one thing. Until Ryeland Montgomery cruises back into her resort town, beautifully protective as he insists they get to know each other better.

Love Lessons: When doubtful meets determined.

When Cartoonist, Grace Bennett is given the mandate to take her comic strip from the satirical side of dating to the magical moments between a couple in love, she knows she's in big trouble. Having never experienced that fleeting emotion, how can she possibly write about it? What she needs is a miracle. Enter best friend and neighbor, Nate Wright, a man with a reputation for falling in love every other weekend. When Nate offers to give her some lessons in love, Gracie has no choice but to accept. One kiss later has Grace doubting the wisdom in bringing her friend into the mix, while Nate is more determined than ever to show Gracie that with love, anything is possible.
