This is the fourth volume in the wildly successful *Convoluted Universe* series. Premier hypnotherapist and psychic researcher Dolores Cannon does it again. Using deep hypnosis and past life regression techniques, she presents mind-blowing theories and concepts originating from other dimensions.

In this new volume you'll find more information about the spirit side--where we go after we "die"--plus new information on life reviews and preparing contracts and your life plan of what you hope to accomplish on your return to Earth.

Cannon uncovers forgotten ancient knowledge widely used by secret mystery schools and ancient civilizations, including Atlantis, Lemuria, and the original Stonehenge. She even explores the creation of life on Earth and presents unknown information about DNA.
